

Ville de Montréal

Bureau du maire

October 2, 2000

As the Société Gee How Tong marks its Diamond Jubilee, it gives me great pleasure to wish the Chan, Woo, Yuen and all other family members a happy anniversary.

As former director of the Montréal Botanical Garden when it collaborated with Shanghai to create our magnificent Chinese Garden and pavilions, it is always an honour for me to have an opportunity to share in the celebrations of Chinese Montrealers who have contributed so much to our city.

Best regards for a rewarding 75th year.

Mayor
